## Around Lincoln....

### Thank you Street Department employees for your hard work.

The street department not only makes sure our roads are clear of debris and patched but they are busy replacing missing street signs, putting up new signs, painting signs and repairing posts. The street department cuts the grass on the right of way and along the roadways. If there are tree limbs blocking or hanging over street signs or in the right of way they cut it back to make sure all is clear for a safe view. Travis Mattox and his crew do a great job cutting and maintaining the city streets right of ways and keeping them clear of debris and garbage. Maintenance of all street lights and traffic signals is also handled by the street department as well as spraying for mosquitos. If you see a street sign down, traffic light out or any issue that the street department can help with go to the **ACTION CENTER** on the website @ [www.lincolnalabama.com](http://www.lincolnalabama.com) and submit your request. There is a lot to be done in the city by the street department and they do a great job with a staff of three. Next time you see the guys out, tell them what a great job they do!

### Griffin Laser Engraving LLC now open

For all your laser engraving needs, from traditional to unique..

Kandi Griffin thought she would retire from banking, start a small hobby in her garage and work a few events. So in April 2015, she started doing engraving on trophies and awards. Then this drinkware called YETI came out and she did some laser engraving and powder coating. Little did she know, her hobby would turn into a full time job. Such a full time job that her husband, Bruce refinished a building to work from because her garage was too small. With no advertising other than Facebook and word of mouth Kandi's business of laser engraving and powder coating has grown to a full time job and she loves it! Griffin Laser Engraving LLC is also an Authorized Yeti Dealer. They have Yeti coolers, drinkware, apparel, accessories and much more. They do powder coating and laser engraving on Yeti drinkware so much that the showroom is full of cups, koozies and drink tanks waiting on customers to pick them up. Stop by their new location at 47762 Hwy 78 or check out their Facebook page @ Griffin Engraving LLC.

### Share memories of Lincoln with those that love to reminisce.....

If you have old photos of Lincoln, when you were growing up, of your ancestors or pictures you are not sure of who they are or where it is and want to see if someone can help find answers for you, bring them by City Hall and see Tonja Ramey, Public Relations. Tonja can scan your picture and maybe your picture will be posted on the City of Lincoln Facebook page. It is fun to see how many comments and people like it or share the picture. We have shared several pictures over the last few months. The comments are interesting and the most likes we have had on a single picture was 7,049, which was the picture of the Lincoln Consolidated School (Circa 1925). So get out the old photo album and bring your oldest pictures and share the fun.

## National Night Out partners with Movie in the Park

**Saturday, August 13<sup>th</sup> - 6pm**

This event is going to be like no other National Night Out! The celebration is for the entire community to come out and show the support for our local police. National Night Out is an annual community-building campaign that promotes police-community partnerships and neighborhood camaraderie to make our neighborhoods safer, better places to live. National Night Out showcases the vital importance of police-community partnerships and citizen involvement. When law enforcement and the community work closely together, some amazing things can happen. Lincoln Police along with the help of Lincoln Fire Rescue and Lincoln Parks & Recreation Dept. will host our first ever National Night Out at Lincoln Park Sports Complex, 1584 Holly Hills Rd, on Saturday, August 13<sup>th</sup> from 6-10pm. The LHS Varsity Cheerleaders will be there to cheer on a great time and for all the AUBURN Fans, come out to see AUBIE the Tiger for pictures, Sparky the fire dog and other special guests. ## Community Wellness Check & Flu Shot

Some may ask, why get a flu shot in the summer. Well the CDC writes "Flu season" in the United States can begin as early as October and last as late as May. During this time, flu viruses are circulating at higher levels in the U.S. population. An annual seasonal flu vaccine is the best way to reduce the chances that you will get seasonal flu and spread it to others. When more people get vaccinated against the flu, less flu can spread through that community. This year Fred's Pharmacy of Lincoln is going to help reduce the chances of flu in Lincoln and co-host the community wellness check and flu shot. This service along with blood pressure and glucose check will be provided at Fire Station # 1 located at 118 Magnolia St. from **11am-1pm and 5pm-7pm on Tuesday, September 13<sup>th</sup>**.

Holidays are quickly approaching so mark these dates on your calendar

### Veterans' Recognition Day

Veterans Day is a day when Veterans are recognized for their services to the United States. On **Friday, November 4<sup>th</sup>** Lincoln will host Veterans' Recognition at Randolph Park at 11am. Lincoln invites everyone to show your gratitude and support by joining us in a ceremony in honor of Veterans for their services. Lincoln has designated an area in Randolph park for the placement of pavers in honor or in memory of veterans. The pavers are engraved and are available in two different sizes. The sizes available are (4x8 with 3 engraved lines) for \$60 or (8x8 with 5 engraved lines) for \$100. These pavers are placed quarterly on the walk and if a paver is purchased you will receive a notification as to the date of placement. If you would like to purchase a paver in Memory or Honor of your Veteran please stop by Lincoln Parks & Rec. office @ 225 Magnolia St.

### Christmas Parade and Tree Lighting

This year will be the 8<sup>th</sup> Annual Christmas Parade with floats, lights, music and Santa. The kids always enjoy the Christmas parade and the parents enjoy the lighting of the Christmas tree in Randolph Park. This has become a family affair for Lincoln as Santa and Mrs. Claus ride through the city and stop at the park for pictures with the kids. This year's parade will be **Sunday, December 4<sup>th</sup> at 4pm**. The parade line up starts at Waffle House and ends at Randolph Park for the Tree Lighting Ceremony. We always welcome floats and participants in the parade so if you have a club or group that would like to be in the parade please contact LPRD at 205-763-1006 for information. We look forward to seeing you there!
